JSW,

Happy New Year to you as well !

FYI, and the Oki file, is a copy of a copy of a goodwill type end-of-year letter i sent the Commander of the Navy Hospital here( i also sent similar letters to the Commanding Generals of the Air Force and USMC here, but they are ~~rather~~ pedestrian--like most stuff involving the military). As you see i sent copy to D/MS who visited the hospital last year and is

interested in the sorta service we get...chrs 2 all..

**REMARKS**

Bob,

Happy New year from the Far east, and  
all the best for 1982 and beyond...

Thought you might be interested in this little  
note i sent to the CO of our hospital, George  
Griffin, whom you met of course. The fact is we  
have been very pleased and gratified with the service  
from the hospital --and this in a year of several  
serious medical problems. Three cancer cases, two  
third country national employees, and one U.S.  
dependent wife [redacted] plus several other  
surgical cases. So thought it should be made a matter  
of record that a pretty full range of services(just  
about everything except neurological) are available  
here.

Had a good visit from the MSO in Tokyo last PTO  
DO NOT use this form as a RECORD of approvals, concurrences, dispossals,  
clearances, and similar actions

fall and he seemed to be a very pleasant and competent young man. I did see SAunders earlier on a trip to Tokyo, although he has not been down to Okinawa since I have been here--no need really. However, I would recommend that his replacement get down here for an orientation visit early in his tour.

Well, Bob, hope all is going well for you. It surely is for me. I expect to be back Stateside in April for a Chiefs conference and hope to see you for a few minutes if you have the time and bring you up to date on matters medical involving our 105 person staff here,

cheers

PS: My wife Maria is now working as a secretary in the office of the hospital CO and enjoys it very much
